

APARTMENT TRACT AVAILABLE

WOLFFORTH, TX 79382

12.783 ACRES

\$2.5 MIL

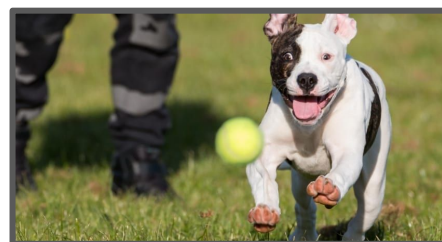

When you move your family or business to Wolfforth, you can count on clean water, enough water, and friendly faces! On June 1, 2023, the Lubbock Water Interconnect started pumping. While we will always advise wise water usage, Wolfforth's new water supply means we are fully open for business. We can't wait to see Wolfforth continue to grow and thrive with our new water supply!
